

# Hollywood Sign Summit Walk Audit Checklist

Help us collect data that Griffith Park, the Department of Recreation and Parks, Council District 4, and the City of Los Angeles can use to improve access to the Hollywood Sign. During your walk today, take the time to answer these questions about the walking experience and, where applicable, note the location.

You can print out this sheet and bring it with you, or cut and paste it into the Notes app of your phone and type in answers along the way. When you're finished, email your data and any other suggestions to [hello@designeastoflabrea.org](mailto:hello@designeastoflabrea.org)

Additionally (or instead of collecting written data) please take photos of your experience while walking to the Hollywood Sign. Upload them to social media, add a location to tag them to a specific place (whenever possible), and use #hollywoodsignsummit so we can collect them later. This includes taking lots of selfies with the Sign to help figure out where people can get the best photo!

What is the route you took to the Hollywood Sign?

How long did your walk take?

How transit-accessible was your walk? What bus or train did you use?

If you drove, where did you park?

Were there bathrooms?

Were there water fountains?

Were there trash cans?

Were there stores or other places to buy food or drinks?

Did you encounter trash, graffiti, or other signs of vandalism?

When walking on city streets, what was the quality of the sidewalks?

When walking on park trails, what was the quality of the trails?

Did you encounter any signage along the way? Was it helpful or accurate?

Where was the best view of the Hollywood Sign along your walk? Please take a selfie at this location and tag it #hollywoodsignsummit

What ideas do you have for improving the Hollywood Sign experience?
